

December 2018

Dear Delegate,

As 2018 draws to a close it is time to reflect on all that EFAD has achieved this year. We have been implementing our Strategic Plan for 2017-2021 and some major milestones have been:

Accreditation by WHO Europe as a non-State Actor
40th Anniversary celebration and 11th conference in Rotterdam
Collaboration on European projects:

- European Healthy Hydration Awareness Campaign (EuHHAC)
- European Dietetic Action Plan (EuDAP)
- PREvention Of Malnutrition In Senior Subjects in the EU (PROMISS)

Revised Academic Standards adopted
PPC Mission and Vision Paper revised
EFAD Voluntary Registration for Food Service dietitians - draft guidelines
ESDN Publications included:

- Fact sheets on Food Literacy and Fiscal Measures updated
- Position paper on Evolved Nutritional Labelling
- Front of Pack labelling consultations with European Commission
- Recommendations to WHO on Non-Communicable Disease consultation
- Briefing paper on Oncology and Nutrition
- Gut Health Report
- World Diabetes Day infographics
- Role statements for dietitians working with Older Adults and Oncology

Of course, the work of EFAD could not take place without the tireless support of all the volunteers in our Committees, ESDNs and our representatives. I sometimes wonder if all of us realise just how significant we actually are in bringing about change.

So I would like to take this opportunity to thank you for your valuable contribution as the delegate of your NDA.

I do hope you have enjoyed working with EFAD in 2018 and will continue to support us in the years to come. I hope I will have the opportunity to thank you personally at the 12th EFAD Conference in Berlin on 1-2 November 2019.
